u 7 Ms. Bernard explained that if anyone has any ideas or concerns in relation to the task force to address them directly to Patti Tetreault. The duration of the Task Force's efforts will not be brief. The process is expected to take at least a couple of years.

h O Ms. Bernard addressed the topic of paternity leave and that it should be covered under the Family and Medical Leave Act. Multiple staff members confirmed this assertion.

) Multiple staff members were curious concerning this topic and its status with administration. Mr. Murphy reported that Human Resources Administration is currently reviewing the matter. A z
